

This 68 gallon direct replacement tank will allow you to keep going down the road while others are stuck looking for fuel stations. They not only have doubled the fuel capacity but have done this ...

A self-service kiosk is an interactive machine that enables customers to access services such as self-registration, check-in, card issuance, payments, and other requests without the need for ...

Deploying self-service kiosks in the middle-east telecom sector, particularly in the UAE and Saudi Arabia can garner valuable benefits in terms of customer retention and improved revenue.

The kiosks can reportedly be used to "renew a license, request a replacement license or ID card, schedule a road test, pay a reinstatement fee, change an address and edit ...
