

The Fiber Splice Case Stand is a portable support stand designed to hold fiber closures when performing splicing duties. It works great in conjunction with our Fiber Optic Splicing Workstation!

FTTH fiber optic protective box protection case for fusion splicing cables \$0.078-0.20 Min. Order: 1 piece
FTTH Waterproof IP68 Fiber Cable Joint Closure Fiber Optic Splice Closure FOSC ...

Pad-mounted FTTX welded aluminum enclosures provide longlasting protection and manage fiber optic cable for broadband delivery in outdoor applications. Provided with or without back-up ...

GMP battery powered fiber optic cable puller is designed for the under- ground placement of fiber optic cable. It uses a rechargeable lithium Iron Phosphate Battery with an adjustable limit to the ...

Our biased photodetectors are compatible with our benchtop photodiode amplifier and PMT transimpedance amplifier. These fiber-coupled detectors are reverse biased and contain an ...

The Optiq Seismic solution brings new efficiency to borehole seismic operations. The solution's optical interrogator unit at surface is connected to any optical-fiber cable ...

Illumination is provided from a combination of tritium and fiber optics and automatically adjusts based on ambient lighting conditions, no batteries are needed.

A novel system was developed based on laboratory experiments to simultaneously monitor casing deformation and cement integrity using fiber optic distributed temperature and ...

CFBT are constructed out of powder-coated aluminum and offer safe and secure protection of interior adapters, splice trays and other equipment. Their light weight allows for ...

Fiber adapter/splice modules combine convenient high high-density termination and splicing capabilities. The combined portfolios and accessories offer best-in-class performance across ...

The pole mount fiber slack storage is an all-metal frame designed solely for storing fiber optic slack for later use. It will hold up to 250" of 144-count fiber optic cable and can be mounted on ...
