

A NOTE on this hack 3 years after doing it : One of the most efficient and satisfying hacks I've ever done has to be transforming my IKEA dresser into a changing table. ...

annalysejacobs on February 20, 2023: "IKEA HEMNES VANITY UNIT HACK Morning everyone! Originally I wanted to use a beautiful piece of timber from the Little Wild woodland to make this ...

As r Scott Taylor demonstrated in this video, I needed to fully assemble the left HEMNES cabinet normally then put together the right unit minus the left front leg.
