Growth of Food & Beverage Industry: The expanding hospitality sector, supermarkets, cold storage facilities, and food processing plants require reliable, modular cooling systems ...

About PTAC (Hotel Style) Units
What Is A PTAC?
Is A PTAC The Best Air Conditioning Unit For A Hotel?
Guarantee A Comfortable and Relaxing Stay with PTAC Units
If you stay at a hotel and see an individual unit in your room, that's a packaged terminal air conditioner (PTAC). These systems are the best setup for single-room applications and perform better and more efficiently than a through-the-wall air conditioner or window unit. With PTAC units for every room, hotels can easily adapt to specific guest com...
