

AZE designs and manufactures outdoor telecom cabinet enclosure from 12U to 42U, our innovative solutions to meet your demand for protection and security of your network equipment.

How to Choose The Model? Advantages of Selecting A 27U Server Rack Potential Applications For 27U Data Cabinets Guidance For Installation and Maintenance FAQ Begin by assessing the space you have available for the server rack to confirm it will accommodate the unit. The 27U server cabinet, a standard size in the industry, is well-suited for housing mid-sized IT equipment. If your installation area is constrained, and you require a more compact solution, smaller server cases like t... See more on sysracks Offer Count: 6 Price Range: \$200 - \$760.
